All stipend payments have gone out last week and members should be receiving them in their next pay.

Director DiGregorio states the goal is to know members availability as soon as possible. The requirement to sign in to IAR is now with their availability at 75% for Tier 1 and 2 calls. Tier 3 and above 100%.

Jack McCarthy asks - Is the point system going to be communicated to every team Director DiGregorio states he plans to notify the teams before January.
